

Because every child deserves the chance to learn.

Our 5th graduation went well, we had another memorable day celebrating the big achievement.

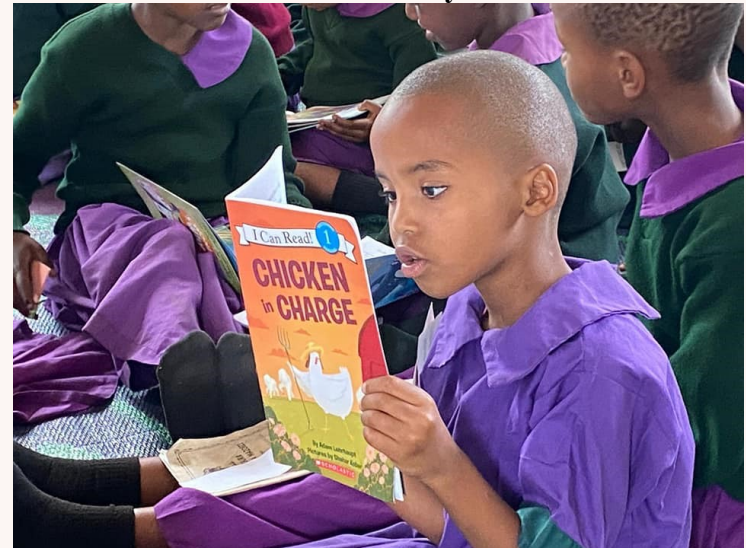

Very good news: all students passed their National Examination and joined Secondary School this year. We are wishing all of them best of luck.

All of the success has been achieved through funds raised by our donors and sponsors as we receive no funding from any other source.

We are so very grateful to everyone for helping us to get this far.

THANK YOU!

Back to School January 2023

We opened school this January. It is another time of the year staff and students ready for another adventure of learning and sharing experiences. Our school now supports 260 students and employs over 28 staff. As always we love saying thank you because we know we won't be called school without you, we appreciate your on-going support.

Our new prep class joined the school, and we have managed to find a few sponsors. We are now looking for 16 more, please help us to share the story to your family and friends, we believe we have done a lot and we are going to do more.

We are looking forward to hear from you please contact us by emcsschool@gmail.com

East Meru Community School

We thank our food donors, we were able to stock enough food to feed our students all through the year, the school menu is completed, this year after a long time without having rice and beans on our school menu your very kind donation was covered enough to include it in the menu this year, the price of rice has gone up massively

In Tanzania especial our students most of the family won't afford to feed the family rice so for us to be able to include rice one day a week it has make a big difference, it has brought a lot of joy to our students, once again thank you everyone for sharing our appeal also for your donation little by little always take us far.

Sport Equipment Appeal

Our friend and sponsor **Holly Crompton** raised an appeal helping us to buy sports equipment, it all went well. We purchased footballs, skipping rope and much more. We have enough to entertain our students, learning physical and excising. Thank you to all who help with this successful appeal.

Thank You Holly for your ongoing support.

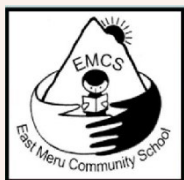

It was nice to have TIB founder Jeanette and her team Julie, Pam, and Paula visiting us and setting up and updating the database in the Teacher in a Box for staff and donating another package for our Community Library.

Jeanette had time to train our teachers, we appreciate your support TIB, our students and staff are much enjoying learning though your programmer.

Lewis and Melody have been our big supporters and volunteer at East Meru teaching our students Bible studies, we are always happy to have you. Thank you Lewis and Melody. We really appreciate your ongoing support. See you again soon.
